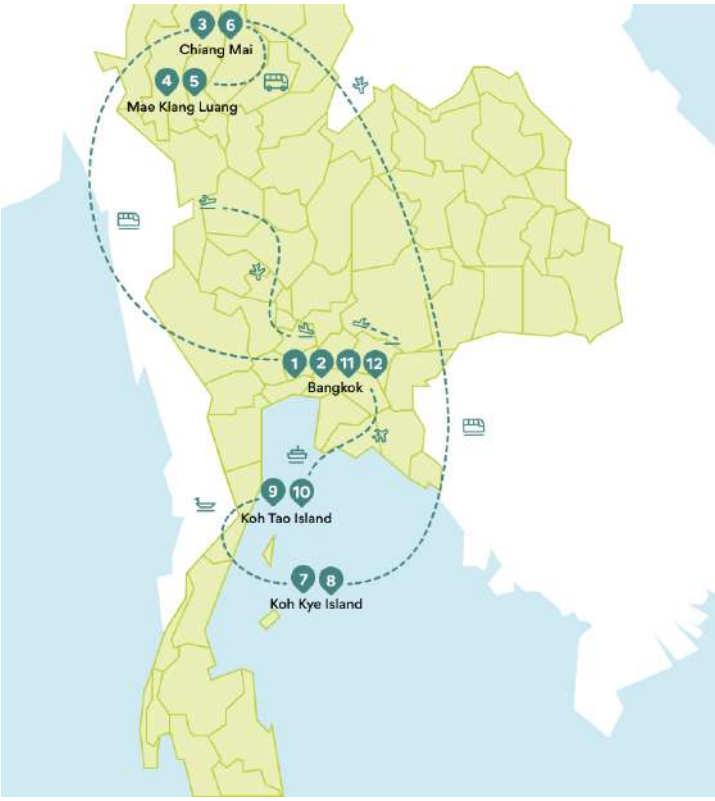
Travel itinerary

Arrival

Bangkok International Airport (BKK)

Please remember to book your flights separately. Plan your arrival so you will arrive at the airport by afternoon to start our Thailand adventure together in the evening.



Day 1
Welcome to Bangkok!
Private transfer: about 33km and 30min

Upon arrival at the airport, your English-speaking guide will be waiting for you. You will then travel together to your first accommodation, where you can move into your hotel room. In the evening it's time to meet your fellow travelers and explore the city. (-/-/-)

Day 2
Exploring Bangkok
Private transfer: about 12km and 30min
Overnight train: about 680 km and 13h

After a delicious breakfast we meet our guide and together we go on a discovery tour through the lively city of Bangkok. On a traditional long boat we glide along the Chao Phraya River and enjoy the unique view of the Bangkok skyline before we continue our journey through the former transport canals, so-called Klongs. Here you will experience the other side of the big city and get a deep insight into local life. Prepare yourself for a very special atmosphere, traditional music from small houses on stilts and sunbathing lizards and birds on the banks. Our first stop is at Wat Khun Chan temple before we travel on to the arty part of town. Be enchanted by the wooden walkways, artists on the shore and colorful posters while enjoying the tranquility atmosphere. Here we will make a stop to feed the sacred catfish. After returning through the peaceful canals, we will have lunch together before heading to two of the most important sights: the Grand Palace and the Temple of the Emerald Buddha. In the evening we will make our way to the train station where we will board our accommodation for today; the overnight train to Chiang Mai! (B/-/-)

Day 3
With Tuk Tuks through Chiang Mai
Private transfer: about 40km and 1h
Tuk Tuk: about 75km and 5h

Once we arrive in Chiang Mai, we immediately embark on our next adventure; a tuk tuk tour! The three-wheeled autorickshaws are perfect for the narrow and sometimes steep streets and if you don't want to drive yourself, there is the option for a professional chauffeur. However, if you'd like to chug through the streets of Chiang Mai yourself, you'll need to complete training and a short test on a practice range beforehand. Along with your favorite songs via Bluetooth speaker, we then set off on an exciting discovery tour along rural roads, through rarely visited communities and past majestic temples. Here we even get blessed by one of the monks for our upcoming adventures and learn more about the close relationship between the community and the monks of their temple. We enjoy lunch at a small local restaurant. We spend the night at a local host family's home. (-/L/D)

Day 4
In the heart of Thailand
Tuk Tuk: about 40km and 2h

After breakfast and a tour through the forests with local residents, our tuk tuk adventure goes into the next round. Over idyllic roads, far away from well-known tourist paths, we travel deeper into the heart of Thailand and explore the mountain landscape around Thailand's highest mountain, Doi Inthanon. After a unique lunch at a traditional snack bar along the road, we arrive at our overnight destination today in the Karen community of Ban Mae Khlang Luang. The village is surrounded by picturesque rice terraces and beautiful views over the countryside. Here you will have the opportunity to experience village life and taste a particularly fresh coffee in one of the most atmospheric cafes. In the evening it's time for a traditional Thai BBQ in the rice fields - a Thai tradition. (B/L/D)

Day 5
Dense forests & majestic waterfalls
Hike: about 5-6km and 2h
Private transfer: about 100km and 1.5h

Today we set off on foot through the breathtaking landscape of the foothills of Doi Inthanon. The 6 km hike is accompanied by a local guide from the village and leads through dense forests and past beautiful waterfalls. At one of the biggest waterfalls we will have lunch and you will have more than enough time to cool down in the natural pool. After this refreshment we will head back to the village, from where we will travel comfortably by minivan back to Chiang Mai. Once arrived you will have time to explore the famous night markets of Chiang Mai and buy unique souvenirs. (B/L/-)

Day 6
Above the clouds
Flight: about 580km and 1.5h
Overnight train: about 450km and 9h

After a comfortable night at the hotel we will enjoy a delicious breakfast and the last hours in Chiang Mai before we start a long journey. To get from the north of Thailand to the south, we will board a plane from Chiang Mai to Bangkok in the afternoon. From there we will continue by night train towards Chumphon. (B/-/-)

Day 7
Camping on a remote island
Private transfer: about 40km and 45min
Boat: about 30min

Get ready for a unique experience: camping on a remote island in the middle of the sea! We meet our guide and travel together to a nearby fishing village, where we are equipped with the necessary camping gear and can buy last snacks and drinks. From here we continue on a traditional long boat and after 30 minutes on the open sea we reach Koh Kye Island. Colorful coral reefs, white sandy beaches and a dense jungle make this island a true paradise. Here we will set up camp and spend the night. Despite its remoteness, there is plenty to do on the island; explore the coral reefs on a snorkeling tour, sunbathe on the beach, have a beach volleyball competition with your friends, and watch the sun slowly disappear behind the horizon. Later in the evening, enjoy a delicious BBQ with fresh local ingredients and end the day around the campfire with exciting stories. (B/-/D)

Day 8
Enjoy the real island life

Today is dedicated to the island life. No matter if you start the day with the first chirping of birds or if you prefer to stay a little longer in your dreams, a delicious breakfast is already waiting for you when you get up. You can arrange your daily program according to your preferences. Whether it's reading a book in the hammock, playing beach volleyball or a guided hike through the dense jungle is up to you. Equipped with one trash bag per person, we will also do our part to preserve the island by picking up trash around our camp and on our explorations so that we leave the island even more beautiful than we found it. In the evening we will meet again for a BBQ and if we are lucky we will meet some local fishermen who will take us on their nightly squid search. (B/L/D)

Day 9
Goodbye Koh Kye - Hello Koh Tao!
Boat: about 30min
Private transfer: about 40km and 45min
Ferry: about 85 km and 2.5-3h

After breakfast, we grab the garbage bags again and collect all the trash together, so we can leave the island with a clear conscience. Afterwards, we take the long boat back to the fishing village we know, where we first enjoy a refreshing shower. From there we continue to the ferry that transports us to the beautiful island of Koh Tao. Once arrived, we check in at the hotel and you have the whole afternoon to explore the island on your own. (B/-/-)

Day 10
A look under water
Boat: Day tour
Hike: about 15min one way

After breakfast, we embark on a unique snorkeling tour around Koh Tao. With the speedboat and our professional snorkeling guide, we travel to four of the most beautiful snorkeling spots around the island and explore the underwater world. At the last stop on Koh Nang Yuan, there is an option to take a short hike to a breathtaking viewpoint. Prepare yourself for impressions you will never forget for the rest of your life! (B/-/-)

Day 11
One (last) night in Bangkok
Ferry: about 85km and 2.5-3h
Private transfer 1: about 40km and 45min
Flight: about 400km and 1.5h
Private transfer 2: about 35km and 35min

Today we travel first by ferry and then by plane back to Bangkok for one last night in the vibrant city. We end our last evening together in one of the most breathtaking sky bars and marvel at the incredible view of the city lights illuminating the night. Together we review the last two weeks and reminisce about our adventure over delicious drinks. (B/-/-)

Day 12
Goodbye, Thailand!

Your Guide: Martin

Hello, my name is Martin and I am your guide for Thailand. I am a keen scuba diver, so ask me anything about the best spots to dive in Thailand. Chiang Mai, the "capital" of the North is one of my favorite places. I got into travel to give to others what I found in Thailand. I find great pleasure in taking people by the hand and pass the magic that is Thailand to everyone with an open mind and heart.
