Travel itinerary

Arrival

Ngurah Rai International Airport (DPS)

Please remember to book your flights separately. Plan your arrival so you will arrive at the airport by afternoon to start our Indonesia adventure together.

Day 1

Welcome to Indonesia

Private transfer: about. 35 km and 50 minutes

Welcome to Indonesia! Upon arrival at the airport, our English-speaking guide will be waiting for you. A transfer will take you to your accommodation in the middle of the culture- and art-rich district of Gianyar. The rest of the day you have time to settle down, get to know your fellow travelers and enjoy the first evening together among like-minded people to the fullest. (-/-/D)

Day 2

The breathtaking landscape of Bali

Hike: about 8km and 1.5 hours one way

Private transfer: about 20 km and 1 hour

After a soothing breakfast, we will start the day with a short hike to Tegenungan Waterfall, where we can cool off and relax in the clear water. So don't forget to bring your swimwear! Afterwards, we will make our way to a natural forest reserve. Here we can make acquaintance with the numerous macaques that call this sacred monkey forest their home. Then, we'll continue on to the impressive Ubud Water Palace and the nearby traditional art market, where you can stock up on unique souvenirs for you and your loved ones. On the way back to the hotel, we will make a final stop in a small village. A unique natural spectacle awaits us, because from October to March hundreds of herons cavort in this unique place. Here they build their nests and hatch their chicks, which in early March begin to stretch their wings and make their first brave attempts to fly. (B/L/-)

Day 3

The early bird sees the sunrise

Private transfer: 2x about 40km and 1 hour

Hike: 2x about 6km and 2 hours

Even before the first birds start chirping we head to a very special place; the top of an active volcano! We will reach our destination just in time for sunrise and enjoy our well-deserved breakfast with a view of the breathtaking landscape, which will gradually be illuminated by the sunlight. On the way back from this incredible experience we will make another secret stop. Do not forget your swimsuit! You'll find out when the time arrives. (-/L/D)

Day 4

New day - New scenery

Private transfer: about 35km and 50min

Flight: about 700km and 1 hour

Today, with the help of a short flight, we will exchange the well-known scenery of Bali for the homey atmosphere of the fishing village of Labuan Bajo. The air way is the only way to get there and we will have a bird's eye view of the impressive landscape. Afterwards we will check in at our beautiful beach resort. The afternoon is completely up to you: Relaxing on the sunny beach or an exciting discovery tour through the area? You choose. In the evening our guide will pick us up and we will enjoy a cozy dinner with pleasant company in a charming local restaurant. (B/-/D)

Day 5

Experience tradition & culture up close

Private transfer: about 150km und 5 hours

Hike: ca. 5km and 3-4 hours

You want to get a deep insight into the traditional life of the locals? No problem - we will head to an isolated village in the mountains where an authentic cultural experience awaits us. After a delicious lunch, we will start our hike from Dende into another world. Along the way there are countless amazing natural spectacles to see and at the latest when we arrive at the village, the effort of the climb pays off. With a traditional ceremony we are warmly welcomed by the villagers and immediately immerse ourselves in their life and customs. Afterwards, you will have the opportunity to spend some precious moments with the locals and learn more about their way of life before we dine with them under the clear starry sky. The Manggarai live in traditional cone-shaped huts with "open-bed" principle to symbolize their togetherness. For the night, we will also lay down for a well-deserved rest in one of the authentic huts.

Day 6

Wake up in the middle of nature

Wanderung: about 5km and 3-4 hours

Private transfer: about 150km and 5 hours

Our generous hosts prepare us a delicious breakfast and we enjoy last precious moments in the village. If you do not forget to set your alarm clock, you can get a little up the mountain an incredible view of the village as it gradually shines in the golden light of the morning sun. Strengthened and positively overwhelmed by the experiences of the last two days, we make our way back together. Arriving at the foot of the mountain, a shuttle is waiting for us to take us back to Labuan Bajo. On the way we stop to see some very special rice fields. They are laid out in the shape of spider webs and give the mystical appearance of being out of this world. Once back at the hotel, we will have dinner and end the day with exciting conversations with our travel companions.

Day 7

All aboard!

Boat: Daytrip

Welcome to the first day of our unique island hopping experience on a traditional boat! After having breakfast at the hotel, we meet our guide and board the floating accommodation for the next days. We sail to Rinca Island, where together with a park ranger we can observe real dragons: the Komodo dragons. But also cooling down is provided, because afterwards we sail to breathtaking swimming spots, enjoy beautiful views and marvel at food-seeking bats. In the evening we enjoy the first dinner on board before settling down in the cozy cabins for the night. (B/L/D)

Day 8

Beaches of all colors

Boat: Daytrip

After waking up on deep blue water we sail to a very special island. It is surrounded by three turquoise bays, each with sand of a different color! Afterwards you can go snorkeling and watch the fascinating underwater world with your own eyes. After lunch, we will set off towards Pantai Merah, also called Pink Beach. The beach gets its distinctive name from the special pink sand, which can only be found in seven places in the world. A visit is therefore worthwhile! (B/L/D)

Day 9

Our own private island

Boat: Morning

Today we leave our familiar boat, but don't worry - during our last breakfast on board we will travel to a very special accommodation: our own private island! You read that right, we'll be completely immersed in island life, and along the way we may even get to swim with dolphins. Once we arrive, the rest of the day is yours to do with as you please - swim in the crystal clear waters, enjoy the hot sun on your skin, stroll along the white sand beach or relax in your cozy beach hut. As soon as the shadows disappear at night, however, you should look for a suitable spot with a good view of the stars, because the Milky Way can usually be enjoyed here in all its beauty. (B/L/D)

Day 10

Island Life & Hidden Oasis

Boat: about 20km and 2 hours

Private transfer: about 30km and 1 hour

Hike: about 15min one way

We dedicate the morning entirely to island life and enjoy numerous activities such as kayaking, snorkeling or an unforgettable photo shoot, before we are picked up by boat in the afternoon and driven back to Labuan Bajo. However, we stay here only for a short time, because we quickly go to the next adventure. Only accessible by local fishing boats lies a magical, secret oasis in the form of a salt water cave. Crystal clear water hides in it, which we of course use directly for cooling off. Stalagmites and stalactites protrude in all directions and give the cave a mystical charm. In the evening we will return to the hotel in Labuan Bajo, where we will have dinner together and review the experiences of the past days. (B/L/D)

Day 11

Time to party!

Flight: about 700km and 1 hour

Private transfer: about 13km and 30min

By plane we travel to Denpasar in the morning and then continue to our hotel in Seminyak. This homey coastal town with its long sandy beaches has much to offer as Bali's famous beach parties are held here. Tonight, at a farewell dinner at the hotel, we'll all sit together one last time and reflect on the countless valuable experiences we've had together on our trip. What you do afterwards is up to you, but it is highly recommended to plunge into the colorful nightlife of Seminyak and really enjoy the last evening in paradise. (B/-/D)

Day 12

Departure from Paradise

Private transfer: about 35km and 35min

Today is the last day of our adventurous trip. After a final breakfast at the hotel, you will have a few more hours at your leisure before we check out and head to the airport for your flight home or to the next destination. We look forward to welcoming you back for the next unforgettable adventure!
