- English speaking guide
- English detailed vaccination and packing List (PDF)
- 100% CO2 compensation for flight and trip
- 1 tree planted per person
- 24/7 Whatsapp support through TripLegend before and during the trip

# Travel itinerary

## Arrival: Hosea Kutako International Airport (WDH)

Please remember to book your flights separately. Plan your arrival so you will arrive at the airport by afternoon at the latest to start our Namibia adventure together in the evening.

### Day 1

#### Windhoek - Welcome to Namibia!

Private transfer: about 45km and 40min

Our private shuttle will pick you up at the airport and we will drive to our accommodation in Windhoek to arrive in peace and get in the mood for the next days. In the evening we will get to know each other better at our joint Welcome Dinner. (-/-/D)

### Day 2

#### Naankuse - Let's go to the sanctuary

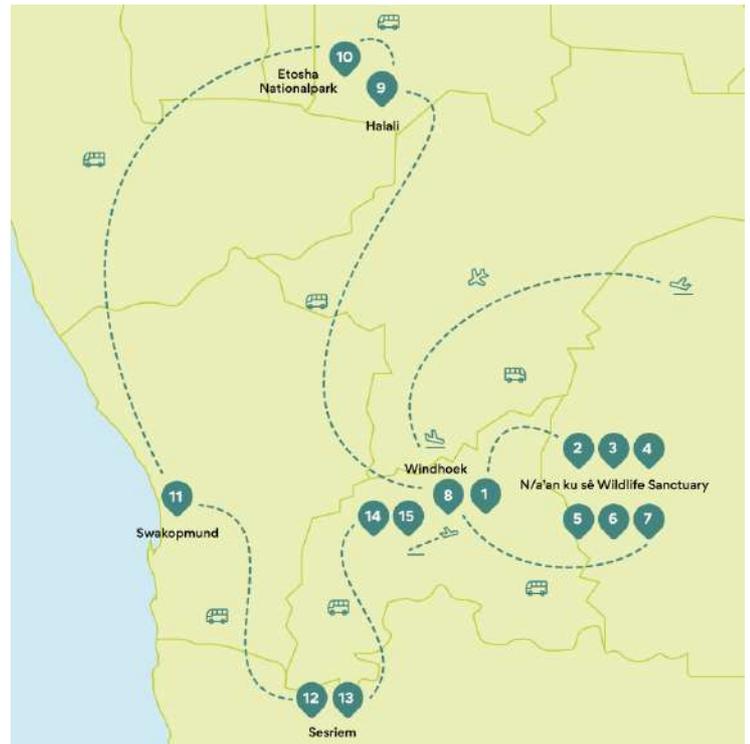

Private transfer: about 50km and 45min

After our breakfast, we will drive to the volunteer center at Naankuse Wildlife Sanctuary, where we will spend the next days of our trip and experience various activities with the animals. Be excited for the coming days full of adventure, staying in cozy safari cabins, with private bathrooms under the open sky, from where you can gaze at the endless Namibian sky from the outdoor shower right at the accommodation. During the simple but delicious meals, you will have 1 hour of internet at the sanctuaries central meeting point 3 times a day, so you can fully immerse yourself in the Namibian wildlife during the rest of the day. (B/L/D)

### Day 3

#### Naankuse - Immerse yourself in the Namibian wildlife

After a hearty breakfast in the morning, we will get to know the Naankuse Sanctuary better, as well as the work that is being done there and the animals that are currently being treated there. We will have the chance to learn a lot about Namibian wildlife while helping in a fantastic project. We promise you, this is an experience you will never forget!

The daily activities vary from day to day and depending on what is going on, we have different tasks. The following days therefore offer you an overview of possible activities in the sanctuary.

What we do exactly on which day depends on the tasks on site. Be curious and look forward to great animal encounters! (B/L/D)

### Day 4

#### Naankuse - Care for injured animals and more

We start our morning again by helping in the Naankuse sanctuary. This means, for example, having the opportunity to feed orphaned or injured animals. The sanctuary cares for cheetahs, leopards, lions and African wild dogs and it is an incredible experience to meet these animals! Since Naankuse Sanctuary wants to rehabilitate as many animals as possible, we will also take care of what is called "animal enrichment". This means preparing the animals for a life in freedom after they have fully recovered. (B/L/D)

## Day 5

### Naankuse - A new day, a good deed

Hike: about 5km and 2h

Besides feeding the animals and helping with the work in the enclosures, we will also have the opportunity to go on a game count. This will involve exploring the area and counting the animals we see. This will give us a first glimpse of all the breathtaking game drives we will be doing during our trip. During our stay, also get to know the Baboons, among others, and go on a Baboon Walk with them. So enjoy the time, but also be excited for what is to come later on our trip. (B/L/D)

## Day 6

### Naankuse - Game Count and GPS-Tracking

Jeep tour: about 2h

As every day at Naankuse Wildlife Sanctuary holds some new experiences for us, we will for example have the opportunity to learn live about GPS tracking of elephants and why this GPS data is so important. A special highlight during our stay at the sanctuary will definitely be the ride into the bush with the rhino rangers, who make sure that the rhinos are protected from poaching. (B/L/D)

## Day 7

### Naankuse - Relax at the Pool

This morning we start again preparing food for the animals and helping with feeding, we know that's your favorite part! But after 1-2 hours we are done for the day and you can use the time for yourself. The sanctuary has an extra lodge with a pool, where you can book an optional Sunday brunch today if you like. Or you can explore the beautiful surroundings of the Naankuse Sanctuary and enjoy the Namibian sun. (B/L/D)

## Day 8

### Windhoek - New adventures await us

Private transfer: about 50km and 45min

Today we will leave the sanctuary behind and make our way back to Windhoek. After arriving there, we will explore Windhoek on a city & township tour, visit a local market and try Braai again. You can spend the evening as you wish, our guide will be happy to give you tips for a delicious restaurant. (B/-/-)

## Day 9

### Halali - Etosha National Park is calling!

Jeep tour: about 4h

Private transfer: about 500km and 5h

After an early start to the day, we make our way to Etosha National Park, a huge game reserve where you can see all kinds of wildlife. Once there, we'll head straight out for our first wildlife drive through the park, visiting waterholes and keeping an eye out for wild animals. Get ready to see zebras, rhinos, giraffes and much more. It is a breathtaking place on this earth and we will have the chance to visit it. After an afternoon in this spectacular landscape, we will drive to our lodge where we will have dinner around an open fire and enjoy the view of a waterhole nearby. (B/L/D)

## Day 10

### Etosha National Park - It's time for a sunrise safari

Jeep tour 1: about 100km and 3h

Jeep tour 2: about 50km and 1.5h

Jeep tour 3: about 50km and 1.5h

Today we have to get up early, but it's worth it, we promise! Early morning is the best chance to see all the predators that live in this area. As the sun slowly rises, we will make our way through the park, enjoying the morning sun that gives the whole area a golden glow. Our second game drive of the day will take us to Etosha Pan, a huge dried up salt pan where we can look for the Big 5, lion, leopard, rhino, elephant and African buffalo. We will have lunch at our lodge where we will have enough time to take a dip in the pool before heading out for the last wildlife drive of the day. (B/L/D)

## Day 11

### Swakopmund - We discover the Skeleton Coast

Private transfer: about 500km and 5h

Today we leave the beautiful Etosha National Park, because Damaraland awaits us. On our way we will meet the Herero, Himba & Damara ladies who sell handmade arts and crafts to support the rural communities. We will have the chance to see the highest mountain in Namibia and on our way along the Skeleton Coast we can explore the remains of an old shipwreck. In the afternoon we will arrive in Swakopmund, a small town by the sea, where you can explore the center and enjoy the evening close to the Atlantic. (B/L/-)

## Day 12

### Sesriem - Welcome back in the desert

Private transfer: about 360km and 4h

This morning you can participate in optional activities such as sandboarding or quad biking before we begin our drive through the vast Namib Desert and pass the Tropic of Capricorn in Solitaire. After arriving at our lodge in the afternoon, you can sit back and relax or hop in the pool however you like. Later in the day we will take a short sunset walk overlooking the Naukluft mountain range, a breathtaking view! (B/-/D)

## Day 13

### Sesriem - A magical place

Private transfer: about 100km and 1h

4x4 Jeep: about 50km and 35min

Hike: about 6km and 2h

Today we have an early start again. We will leave at dawn to arrive at Namib-Naukluft National Park for sunrise. The rising sun will transform this special place into a shimmering, golden-red landscape of a vast salt pan with stunning dunes waiting for us to explore. We will take a 4x4 shuttle to Sossusvlei and walk from there to Deadvlei, a large expanse of bleached cracked clay and skeletal camel thorn trees, amidst the glowing red dunes. Later, we'll stop at Dune 45, a dune that is open for walking. It will be a bit of a hike, but imagine the view from a huge dune overlooking the whole area, it's definitely worth it. Besides the enormous dunes, we will have the chance to observe the wildlife living there, maybe we will see some springboks, which are common in this area. (B/L/D)

## Day 14

### Solitaire, Windhoek - Cheetah conservation project

Private transfer: about 400km and 4h

Jeep tour: about 40km and 1h

Today we head back to Windhoek, but of course we have something special for you again on this trip. We will make a stop in Solitaire, where we will board an open vehicle to drive through the grounds of the local cheetah conservation project. Here they are taking care of a number of cheetahs that for various reasons cannot be released back into the wild. We have the chance to learn a lot about the cheetahs living in the area and get a last glimpse of the animals in Namibia. Afterwards we will drive back to Windhoek and arrive in the afternoon before enjoying our last dinner together in the evening. (B/-/-)

## Day 15

### Windhoek - Goodbye Namibia!

Private transfer: about 50km and 45min

After our breakfast it's time to say goodbye. We'll drive you to the airport and you'll head home or to your next destination. If you would like to extend your stay and explore the area further on your own, we are happy to make suggestions for more activities and sightseeing. (B/-/-)

### Departure: Hosea Kutako International Airport (WDH)

Your return or onward flight on the day of departure can be flexibly planned. We look forward to welcoming you again soon on one of our unique adventures.

## Your Guide: Tulimo

2014 I started as a driver for group tours and since 2019 I am a guide myself. With years of experience I can show you all the beautiful and hidden places Namibia has to offer. My colleagues and I will be happy to show you our beautiful country and explore it together. I am sure that Namibia will leave you speechless. Come on a tour with us and let us show you the country. My colleagues and I are looking forward to meeting you!

# Not included services
