# Overview

## Arrival: Kilimanjaro International Airport - JRO

You have the option to book your flights separately or simply add them to your trip in the booking process. If you book your flight separately, please plan your journey so you will arrive at the airport in the afternoon. This way we can start into our Tanzania adventure together in the evening.

### Day 1

#### Welcome to Tanzania!

**Private transfer: approx. 40km and 1 hour**

A private shuttle will bring you to your lodge and for the rest of the day you will have time to settle in and rest or walk around town. In the evening, we'll come together to get acquainted and look forward to our upcoming adventure. (-/-/-)

### Day 2

#### Life on the slopes of Kilimanjaro

In the first half of the day, we'll visit a nearby village to acclimatize and experience firsthand what it's like to live on the slopes of Mount Kilimanjaro. Colorful markets await, we'll head to one of the local chagga bars for a traditional brew, and don't forget your swimsuit, so we can jump into a waterfall overlooking the valley! Later that day, a pre-climb briefing will be arranged where your guides will walk you through the upcoming trek, check your gear, and share some of their best tips and tricks for successfully climbing Africa's highest peak! (B/L/D)

### Day 3

#### First steps on the mountain

**Private transfer: about 40km and 1 hour to 1830m**

**Hike: 870m about 5 hours**

After breakfast, you will be picked up from your lodge in Moshi and driven to the starting point at Marangu Gate. After registration, we will begin our journey to the summit on a well-maintained trail through montane forest, past dense rainforest and coffee plantations, while our guide leads you through the local flora and fauna. A short excursion to the nearby Maundi Crater will give you magnificent views over Kenya and northern Tanzania. Our first night will be spent on the mountain at Mandara Huts - a group of dormitory-style wooden huts with solar-generated lighting and all necessary facilities, including water and toilets. (B/L/D)

### Day 4

#### Mandara huts to Horombo huts

**Hike: 1000m and about 6-8 hours**

On your second day, you will embark on a hike that leads to the Horombo Hut via a somewhat steeper trail. The trail passes through more montane forest before transitioning into the moorland vegetation zone, where you will encounter rolling alpine meadows with huge heather trees. During the hike you will have spectacular views of Mawenzi - the second highest peak in the area. After about 6 hours of hiking you will reach Horombo Hut, where you will get hot water for washing, dinner and an overnight stay. Horombo is a village of huts on a small plateau where we will have the opportunity to get together and reflect on our achievements so far! (B/L/D)

### Day 5

#### Lunar landscapes and first views of the summit

**Hike: 980m about 6-8 hours**

After a hearty breakfast, you will continue hiking at a slow pace through the heath, which quickly turns into an almost moon-like landscape once you enter the saddle between Mawenzi and Kibo. During this hike you may experience mild symptoms of altitude sickness, but don't worry, your experienced guides will be there to assist you in any way they can, giving you tips and tricks. From here, you'll have a fantastic view of Kilimanjaro's summit before arriving at Kibo Hut - a hut with dry stone walls and dormitories. Rest for the evening at Kibo Huts and prepare for your final ascent to the summit! (B/L/D)

## Day 6

### Summit day: The roof of Africa

Hike: up 1200m about 6-7 hours, down 2200m about 7-8 hours

Around midnight, venture out into the night and begin your final ascent to the summit of Kilimanjaro. Head northwest through the massive scree and follow multiple switchbacks between the Ratzel and Rebmann glaciers until you reach Gilman's Point, where you'll have a great view of the crater. Your guide will set a leisurely pace and slowly progress to the summit as we hike along the crater rim for another hour before finally reaching the ultimate goal - Uhuru Peak! Congratulations! You have now made it to the "Roof of Africa." The weather conditions at the summit will determine how long you can stay there, but it is important that you start your descent within a good time to make sure you get enough rest at Kibo Hut. After your rest, you will collect the rest of your belongings and descend to Horombo Hut (3.720m) where you can enjoy your dinner and well-deserved sleep! (B/L/D)

## Day 7

### The scenic route down

Hike: down 1900m about 5-7 hours

After you've had breakfast, you'll begin the easiest part of your Kilimanjaro adventure via a scenic trail through the forest to Marangu Gate. Our shuttle will take us back to the hotel, and all successful hikers who made it to Stella Point and Uhuru Peak will receive their summit certificates. Then it's time for a hot shower, dinner together and celebration with a well-deserved Kilimanjaro beer (or two). (B/L/D)

## Day 8

### The safari begins

Private transfer: about 150km and 3 hours

Jeep safari: about 3-4 hours

After a hearty breakfast, our safari adventure begins and we embark on our three-hour drive to the first stop in Tarangire National Park. Its sparse vegetation makes it a beautiful and special place where up to 300 elephants can be found foraging in the dry riverbeds for underground streams. Migrating wildebeest, zebra and buffalo can also be seen in the shrinking lagoons. At noon we will have a small picnic lunch before we start our game drive. Our night and evening will be spent at a campsite on the edge of Tarangire National Park.

## Day 9

### The Serengeti National Park

Private transfer: approx. 250km and 5-6 hours

Jeep Safari: approx. 2-3 hours

Today we travel to one of the most famous game parks in Africa, the Serengeti National Park! The vast expanses of the Serengeti are known for one of the most impressive wildlife spectacles in the world: the great wildebeest and zebra migration. They are also home to a variety of other wildlife including lions, cheetahs, leopards and many other predators. Today we will be able to discover all of this on a game drive through the park.

We will spend the evening together at a campsite in the middle of nature in the Serengeti. (B/L/D)

## Day 10

### The colorful animal world

Our today we will spend again in the Serengeti National Park and go on a discovery tour, maybe we discover today one or the other, what we could not see yesterday. Our campsite will remain the same tonight, here we will have a fortifying meal to end the evening. (B/L/D)

## Day 11

### Discover one of the seven natural wonders of Africa

Private transfer: about 100km and 2 hours

A new safari day begins. Today, after breakfast and a morning game drive, we will head to the Ngorongoro Crater, one of the seven natural wonders of Africa, and explore the surrounding area. Here you can observe the diverse wildlife of Tanzania. Discover colorful flamingos, leopards, cheetahs, antelopes, black rhinos or prides of lions. After the exciting day and the many impressions we will drive to our campsite at the edge of the crater and enjoy the evening together. (B/L/D)

## Day 12

### The last safari day

Private transfer: approx. 280km and 5,5 hours

Today our alarm clock rings very early to descend the 600 meter high walls to the bottom of the crater and experience the crater up close! The crater is on the UNESCO World Heritage List and is considered one of the most beautiful and unique places in Africa. Enjoy a new game drive and lunch right by the hippo pool. In the afternoon we will make our way back to Moshi, where we will spend our last evening together and review all the beautiful experiences. (B/L/D)

## Day 13
