Travel itinerary

Arrival: Queen Alia International Airport (AMM)

Please remember to book your flights separately.
At the airport you will be met by your guide, who will also help you get your free visa on arrival.

Day 1

Welcome to Jordan!

Private transfer: about 35km and 40min

Welcome to the beautiful country of Jordan. You can expect very special moments and impressions that you will remember for a lifetime.

On the first day, you can arrive relaxed, rest or explore the area around your accommodation. We will then all start our Jordan adventure together the next day.

Day 2

Experience the city of Amman and its special charm.

After a hearty breakfast, we head to the Petra Charity Centre. In the afternoon we go for a walk in the oldest streets of Jordan, known as the Heritage Town of Amman. Here the old houses have been converted into restaurants and cafes.

After this street food experience, we end our walk at a café where we can enjoy tea or coffee and mingle with Jordanians to experience the real life of the locals.

To finish the day, we will explore the Old City of Amman in the city centre and end the day with a delicious wine tasting at Abdali Boulevard. (B/L/-)

Day 3

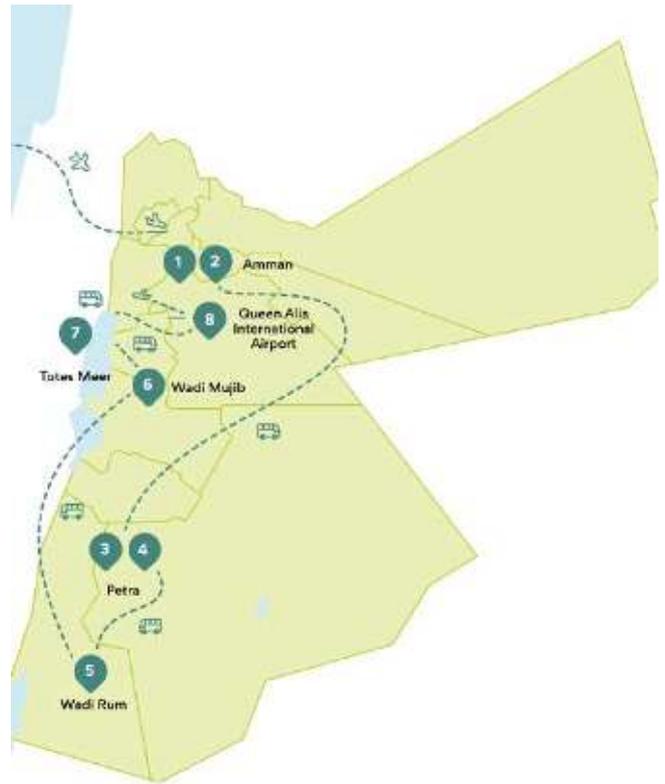

Marvel at Petra by night in candlelight

Private transfer1: about 70km and 1,5 h

Hike: about 1 h

Private transfer2: about 290km and 4 h

With a bit of luck, the day will start with the first highlight when we wake up and we will have the chance to see deer in the Ajloun Forest Reserve early in the morning. After a hearty breakfast, we then set off for a visit to the Biscuit House, which is currently run by women from the community as part of a new model of community engagement.

Here, the women are transforming from traditional employees to true community entrepreneurs.

Afterwards, we will discover the beauty of the Arabic language together at the House of Calligraphy. At lunchtime, we enjoy time together with home-cooked food or a BBQ.

In the evening, it is an amazing experience to see Petra at night by the light of 1,800 candles - it is truly breathtaking! We walk along a candlelit path through the Siq to the Khazneh and enjoy the haunting music of the Bedouins in the Treasury. (B/L/-)

Day 4

The only Nabataean city

We visit the Nabataean city of Petra, one of the 7 Wonders of the World and UNESCO World Heritage Site. We enter the city through a 1 km long narrow gorge flanked on both sides by 80 m high cliffs! Here we can admire the dazzling colors and formations of the rocks. The site is immense and includes hundreds of artfully carved rock tombs, a treasury, Roman style theaters, temples, sacrificial altars and colonnaded streets. (B/-/-)

Day 5

A jeep ride through the desert

Private transfer: about 110km and 2 h

Jeep ride: about 5 h

After fortifying ourselves at the hotel, we explore Wadi Rum on a 5-hour jeep ride through the Jordanian desert! Wadi Rum was described by T.E. Lawrence as "vast, echoing and godlike" and by the locals as the "Valley of the Moon". During the jeep tour we will discover many things: The Nabatean Temple, Lawrence Spring, Khazali Dune, Khazali Canyon, Little Rock Bridge, Um Frouth Rock Bridge and Lawrence's home. Here we can enjoy the Bedouin hospitality at dinner and taste the Bedouin feast Zarb. Zarb (as the locals call it) or, if you will, Bedouin barbecue is an experience in itself, where Bedouins cook lamb, chicken and vegetables with herbs in a large underground pit with hot coals under the desert sand. When the meat is tender and has a hint of smoky flavor, the large pot is brought out and we can enjoy one of Jordan's greatest edible treasures under the starry skies of Wadi Rum. (B/L/D)

Day 6

Swimming in the Dead Sea

Private transfer: about 350km and 4 h

Even before the first rays of the day appear, you have the opportunity to organise a hot air balloon ride. Enjoy the breathtaking view of the majestic mountains in Wadi Rum. Allow 2-3 hours for this unique adventure. Afterwards we will explore the Dana Nature Reserve.

Afterwards we will explore the Dana Nature Reserve. Here we can explore a remarkable variety of different landscapes, ranging from forested plateaus to rocky slopes and from gravel plains to sand dunes - an impressive experience. But the animal life in the Dana Nature Reserve is also worth a visit. There are around 600 plant species, 37 species of mammals and 190 bird species, many of which are extremely rare. In the afternoon we enjoy our remaining day at the Dead Sea. No body of water in the world is deeper than this and the salt content of the water gives the lake a special charm. However, one should be careful to wear rubber shoes when bathing so as not to cut oneself on the many small salt stones at the bottom of the water.(B/-/-)

Day 7

Breathtaking waterfalls

Private transfer: about 85km and 1,5 h

After a hearty breakfast, we set off for our next adventure today. Our hike starts at the visitor centre near the Mujib Bridge, where we have to gather all our courage and walk across a cantilevered footbridge over a dam. We then follow the river and walk in a breathtaking scenery between huge towering sandstone cliffs until we finally arrive at a fascinating waterfall. Depending on the seasonal rainfall, the gorge may contain pools deep enough for swimming. This is an ideal trail to walk slowly and enjoy the cool water and shade, especially in the summer heat. In the evening we enjoy some free time and can explore the area on our own. (B/-/D)

Day 8

Goodbye Jordan

Private transfer: about 55km and 1 h

And already the adventure comes to an end. The last days were a wonderful experience, with great nature, many new impressions and new friends. Enjoy a last breakfast with your new friends and then slowly but surely head to the airport to embark on your next adventure. Maybe we will see each other again soon? We're looking forward to seeing you. (B/-/-)
