## Arrival

### International Airport Tbilisi (TBS)

Please remember to book your flights separately. Plan your arrival so that you will arrive at the airport by afternoon to start our Georgia adventure together.

## Day 1

### Welcome to Georgia!

**Private transfer: about 16km and 20min**

Ein privates Shuttle bringt dich zu deinem Hotel im Stadtzentrum. Heute wirst du alle Zeit haben, dich einzuleben und in Georgien anzukommen. Am Abend genießen wir unser erstes Dinner zusammen und stoßen auf unser gemeinsames Abenteuer an. (-/-/A)

## Day 2

### Traditional wine tasting in Tbilisi

**Private transfer: about 12km and 30min**

We will explore the winding streets of the new and old city and conclude our day with a traditional wine tasting. The country's most important cultural, political and economic center attracts visitors from all over the world with its hospitality, tolerance and fascinating blend of Eastern and Western elements of architecture. With its bohemian art scene, vibrant nightlife and long-standing tradition of sulfur baths, Tbilisi offers unique experiences for every traveler. On our exclusive city tour, you'll discover both the new and old neighborhoods of the city. You will get a genuine impression of the omnipresent young spirit of awakening paired with a still very present Soviet past. A walk through the narrow cobblestone streets will finally lead us to our private wine tasting, where we can taste the special Georgian wine, traditionally aged in underground clay barrels. Legend has it that it tastes best when drunk from a clay pot. (B/L/D).

## Day 3

### The northern gate of Georgia

**Private transfer: about 163km and 3h**

The Georgian Military Highway was once the only way to travel through the impenetrable Greater Caucasus and has been a major land bridge between Russia and Georgia for centuries, used by traders and travelers alike. Apart from its historical significance, this corridor offers some of the most stunning landscapes in the country, dotted with unique landmarks. Our journey takes us past historic fortresses and fascinating monasteries preserved from the Middle Ages, while the road becomes increasingly winding and the mountain scenery more idyllic after each bend. Finally, we reach the region of Kazbegi, high above sea level, where traditional village life still persists and the white and black Aragvi rivers merge. Welcome to the northern gate of Georgia! (B/L/D)

## Day 4

### Gori: The special Stalin museum

**Private transfer: about 215km and 4h**

The history of Georgia is more than complicated, but remains a defining aspect of the country's landscape. Mtskheta, the former capital of the Georgian Kingdom and the birthplace of Christianity in Georgia, is a picturesque and peaceful small town whose quiet streets are inviting for a stroll. Our journey continues to Gori, the infamous birthplace of Stalin, and a visit to the obscure "positive" Stalin Museum. Aside from its vibrant history, Georgia is also known for its incredibly authentic cuisine. We will have a traditional Georgian-style dinner and taste our way through all the delicious dishes that the country's culinary arts have to offer. (B/L/D)

## Day 5

### Magnificent canyon or enchanting caves

**Boat: about 5-6km and 2h**

**Private transfer: about 380km and 7h**

If the weather is on our side, we will drive to a canyon with dizzying rock walls. These are covered with a thick layer of moss and are home to many beautiful waterfalls, making this a truly magical place. We will explore this oasis by gliding through the deep blue-green waters by boat and approaching the waterfalls. Don't forget your camera! If the weather is not kind to us, we will go underground: At Sataplia Nature Reserve, we'll follow in the footsteps of dinosaurs before diving into the mystical atmosphere of the caves. A breathtaking experience where we can explore underwater lakes and rivers. The impressive stalactites and petrified waterfalls are home to hundreds of bats! We end our day in Mestia, a pretty mountain village in the Caucasus Mountains. (B/L/D)

## Day 6

### City in the clouds

**Private transfer: about 46km and 1.5h**

At that time, enemies were careful not to penetrate too far into Svan territory, because deep in the mountains of Upper Swaneti was a community of villages with hundreds of stone watchtowers overlooking the mountain slopes. Ushguli is now considered one of the highest continuously inhabited settlements in Europe, with many towers still in perfect condition after more than a thousand years. Due to its extreme remoteness, this former outpost offers incredible views over the mountains and the opportunity to immerse yourself in ancient village life and, of course, living history and breathtaking views. Now a UNESCO World Heritage Site, this getaway will be the highlight of the trip and something to remember! (B/L/D)

## Day 7

### The Black Sea is calling

**Private Transfer: about 266km and 5h**

There is nothing like the first view of the beautiful Black Sea after you come around the last bend and off the mountains into the Black Sea capital. Today's drive is full of spectacular views, panoramas and ever-changing landscapes passing by the window. Once we arrive, we have time to relax on the beach or explore the city at our own pace. Beyond the beach, Batumi offers a bizarre mix of ancient and modern architecture, lively markets, and captivating street art that reflects the unique composition of the region's history, culture, and religion. A stroll along the boulevard of Batumi is more than recommended, but of course we understand if the beach is more inviting. (B/L/D)

## Day 8

### Traditional Georgian Khachapuri Cooking Class

**Private transfer: about 25km and 45min**

As mentioned above, there are many exciting sights and activities to discover in Batumi. Nevertheless, for centuries the Black Sea has attracted mainly people who wanted to enjoy the relaxed beach life. The subtropical climate and beautiful mountains that surround the seaside resort invite you to relax and unwind. However, as the capital of the Adjara region and home to the ancient kingdom of Kolkhida, the region has been shaped by its vibrant history. The famous Gonio Fortress right by the sea is a constant reminder of this era. Have you ever heard of the stolen Golden Fleece? Although it's hard to pronounce, you've probably seen or eaten acharuli khachapuri. We will participate in a unique Georgian cooking class and prepare this delicious bread filled with melted cheese. By the way, the special bread, which is shaped like a boat, comes from the coastal area of Adjara. (B/L/D)

## Day 9

### Festive farewell dinner in Tbilisi

**Private transfer: about 370km and 6h**

All good things eventually come to an end, and unfortunately this trip to Georgia is no exception. On the way back to Tbilisi, we can let our minds wander, watch the landscape gradually change, and reflect on our experiences of the last eleven days. With all the memories of the diverse history, natural beauties and incredible hospitality of this unique country in our luggage, we return home with unforgettable stories that will surprise even our friends. Our guide takes us to a nice restaurant and together we celebrate the end of the trip with traditional Georgian dances and look back on some of the most impressive experiences as well as new friendships. Since Tbilisi is the vibrant center, there are many opportunities to take advantage of the last evening into the night. (B/L/D)

## Day 10

### Goodbye Georgia!

**Private transfer: about 16km and 20min**

The last day of your adventurous trip has arrived. After a final breakfast at the hotel, we will arrange a smooth transfer back to the airport to catch your flight home or to your next destination. If you would like to extend your stay and further explore the area on your own, we are happy to offer suggestions for further activities and sightseeing. (B/-/-)
