- Detailed vaccination and packing list (PDF)
- 110% CO2 compensation for flight and travel
- 1 tree planted per person
- 24/7 Whatsapp support through TripLegend before and during the trip

Travel itinerary

Arrival

Jomo Kenyatta International Airport (NBO)

Please remember to book your flights separately. Plan your arrival so that you will arrive at the airport by afternoon to start our Kenya adventure together in the evening.

Day 1

Welcome in Kenya!

Airport transfer: about 25km and 35 min

Upon arrival at the airport, you will make your way to the hotel where we will spend the first nights. You have the possibility to explore the city on your own or to arrive relaxed in Kenya. During our first dinner together we will get to know each other and can look forward to the next days. (-/-/D)

Day 2

Giraffes and baby elephants close up

Private transfer: about 10km and 10 min

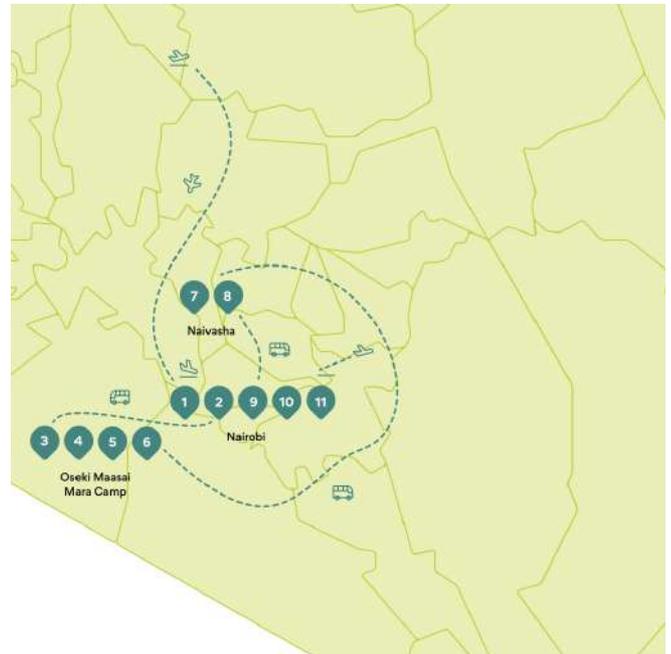

Today the adventure really begins. We head to a breeding station for giraffes and feed baby elephants at a rescue center. In the afternoon we will meet former street children who will guide us through the streets of Nairobi, tell us about their times as street children and accompany us to a market where handmade shoes, bags and traditional Maasai ornaments are produced and sold. (B/-/D)

Day 3

On to the West

Private transfer: about 250km and 5,5 hours

We make our way to the west of the country and meet our hosts for the next few days in a nearby Maasai village. After storing our belongings we go on a safari to discover the Big 5. (B/L/D)

Day 4

Wild animals up close

Today we will spend getting to know the impressive nature and wildlife of Kenya. After a game drive we will go tracking with a local Maasai warrior and have the opportunity to see elephants, giraffes, zebras and baboons up close. Among other things, we will be shown how to read tracks, but we will also not be deprived of the unique view over the Mara from Leruk Hill. (B/L/D)

Day 5

Discover the culture of the Maasai

Today we will spend the day in the Maasai village and there we will take the opportunity to get to know the Maasai culture better. Here we can choose between different activities, such as visiting an elementary school, a hospital or attending a cooking class. If you are more interested in how Maasai warriors go hunting, we will have the chance to accompany a Maasai warrior on a bush walk and become familiar with the use of bow and arrow. (B/L/D)

Day 6

As far as you can see

As we all know, you can't get enough of Africa's wildlife. Therefore, today we take the opportunity to drive deep into the Maasai Reserve. There we have the whole day at our disposal for our game drive. If you haven't managed to see the Big 5 before, today is another chance to come face to face with the animals of Africa. (B/L/D)

Day 7

Change of scenery

Private transfer: about 250km and 4,5 hours

Brief sleeper or late riser? You decide! Either you take the opportunity to experience the hustle and bustle of the Maasai Village one last time in the morning or enjoy a relaxed morning and sleep in. At noon we will turn our backs on the Maasai and head towards Naivasha where our next adventure awaits us. (B/L/D)

Day 8

Off on a bike

After waking up, it's time for our next adventure. We swing ourselves on the wheels and make us on the way direction Hell's Gate. Here we will get to see giraffes, antelopes and buffalos, among others, and navigate our way through the national park on our bikes.

Not everywhere you have the opportunity to see hippos in Kenya. Therefore, we take the ferry out to the lake in Naivasha in the afternoon and go in search of the giants of the water to pay them a visit. (B/L/D)

Day 9

Goodbye Safari - Hello Nairobi

Private transfer: about 100km and 2 hours

Today we start the day according to the motto: You are the architect of your own luck. There are no activities planned, so you can sleep in or explore the surrounding area again. There is also the possibility to go on a hike to Mount Longonot. In the afternoon, the big city feeling calls and we make our way back to the capital. (B/L/D)

Day 10

Discover the Kibera Slum of Nairobi

After breakfast we head to the Kibera slum, where we visit an organization that takes care of orphans. Here we get a deep insight into the daily life of the children. In the afternoon there will be the opportunity to explore Nairobi a bit by ourselves and get some souvenirs for the family at home.

We spend the evening together at a final dinner. Here we can exchange our impressions and look back on the last days. (B/-/-)

Day 11

See you soon, Kenya!

Airport transfer: about 25km and 35 min

After a last breakfast we check out of the hotel and until your return flight you can do whatever your heart desires. Is there anything you still want to see? After an eventful trip, it's time to say goodbye to your new friends. (B/-/-)

Departure

Jomo Kenyatta International Airport (NBO)

Your return or onward flight on the day of departure can be planned flexibly from 9 am. We hope you had an unforgettable time and take home priceless memories! We would be happy to welcome you again soon on one of our unique adventures!

Your Guide: Benson

Hi, I'm Benson!

With a love and passion for nature, wildlife, and travel, I realized that my career in IT was not what I was craving. I quit my 9-to-5 job and pursued a career in tour guiding and administration.

I have now been leading trips through my home country Kenya for almost eight years, and I don't regret a second of the path I have taken in the past. Kenya is one of the most beautiful countries in the world - the vast geography, natural habitats, rivers, lakes, mountains, wildlife and also the famous wildebeest migration that takes place annually in the Massai Mara National Reserve are absolutely breathtaking. In Kenya, no two days are ever the same, and as a result, each day inspires anew.

Are you ready to experience it? Visit me in Kenya and I will show you how!

Not included services

Flights:

- International flight tickets
(ex.: round trip from FRA - NBO with Lufthansa for 400-700€, 8-15h)

Info: We are happy to help you with your flight search and booking.
