Travel itinerary

Arrival

Denpasar Ngurah Rai International Airport (DPS)

You can either book your flights separately or contact us quickly via WhatsApp for a personal flight offer.

Day 1

Welcome to Bali - the adventure begins! (Seminyak)

Transfer: approx. 13km and 50min.

Accommodation: Jambuluwuk Oceano Seminyak

Hotel

After your arrival at the airport, you will be warmly welcomed by your local guide and driven to the hotel, where you can settle in. Get to know your group and Keren and recover from your long flight while relaxing by the pool and looking forward to the upcoming adventure together!

Keren will host you and the group from today onwards and answer any questions you may have about her travels. While you're chatting about your travel experiences, she's sure to have a travel hack or two to share with you!

Day 2

Volunteering at Serangan Turtle Conservation (Ubud)

Transfer: approx. 60km and 3 hours

Accommodation: Pertiwi Resort Ubud

All of today's sea turtle species are endangered due to human activities. Not only hunting and the consumption of eggs, but also marine pollution and the destruction of breeding beaches have drastically reduced the turtle population in recent years. That's why we're here to help! You'll spend your day helping feed the turtles, maintaining and cleaning the sanctuary grounds, cleaning the enclosures, assisting with the environmental education programs, repairing the display boards, and cleaning up the beach! The volunteering is divided into half days, so you will spend either a morning or an afternoon at Serangan Turtle Conservation. Afterwards, we will take a fascinating Tegallalang tour, exploring the breathtaking rice terraces, before returning to the hotel. Subsequently you continue your journey to Ubud. (B/-/-)

Day 3

It's time for the Waterfall Tour! (Ubud)

Transfer: approx. 100km and 3 hours

Accommodation: Pertiwi Resort Ubud

On the third day of our Bali round trip, we go exploring Bali's hidden treasures deep in the forests of Central Bali on the Waterfall Tour. The Munduk Waterfall Trekking takes us to the real Bali rainforest plantations, where we can spot the exotic plants coffee, cocoa and cloves, before reaching the impressive waterfall (or similar, depending on the situation that day) that greets us with a cold breeze from the spring waterfall. We then marvel at the Wanagiri Hidden Hills, where the "twin lakes" of Buyan and Tamblingan meet in a caldera formed after a volcanic eruption thousands of years ago, offering a unique natural panorama. On our way back to the hotel, we stop at the Sangeh Monkey Forest, which is inhabited by about 600 gray long-tailed macaques. But watch out: The monkeys are little pickpockets, so please keep an eye on your belongings. (B/-/-)

Day 4

Relaxing day in Ubud or on to the next adventure? (Ubud)

Accommodation: Pertiwi Resort Ubud

Today we can choose how to spend our day! There are a lot of things to do in Ubud. We also offer optional tours for you. One of them is the Mount Batur Sunrise Trekking, where you can experience a breathtaking sunrise during breakfast.
